

Table 1. **Review Sample Size Requirements.** Your sample size must meet our minimum sample size requirements. This will vary and is based on the type of test requested. The following table provides some guidelines for the amount of sample to submit for testing. Please consult the lab at info@certainsciences.com if you have questions.

Assay	Flower	Concentrates & Extracts
Potency	2g	1g
Terpenes	1g	1g
Yeast & Molds	2g	1g
Mycotoxins	1g	1g
Pesticides	1g	1g
Heavy Metals	2g	2g
Residual Solvents	n/a	1g
